Chapter 1

Early October  
at the turn of  
a new season.

having caught  
a cold and  
completely revived  
after two days.

10.1

RYUKO-SABAN!

WHERE DO  
WE GET THE  
PLY-WOOD  
FROM?

WE'RE RUNNING  
BEHIND WITH THE  
COSTUME. CAN YOU  
FIND SOME PLACE  
WHERE WE CAN  
STAY BACK TO  
WORK ON IT?

WE'RE  
RUNNING OUT OF  
WHITE AND PINK  
PAINT.

for Teacher  
Ryuko (age 17)  
as a class rep

HEHE?

no longer has  
happy days of the  
Cultural Fest  
season.

WHAT IS THIS  
POSTER...

THAT SMUTTY  
TEACHER!!

WASNT IT  
RIMMO-SAN WHO  
DROPPED THE PLAN  
TO HOST CLUB-  
STYLE COFFEE?  
HOUSE?

WASNT THE  
TEACHER

I  
I THOUGHT HE  
SAID WE WERE GOING  
TO DO A PLAY ON  
CINDERELLA?

HE SAYS, LOOK  
THE POSTER  
SAYS

DASH

RIMMO  
SAND  
SMUTTY

SO THAT  
WAS ACTUALLY  
SUNO-SUNO'S  
IDEA. JUST AS I  
THOUGHT.

WOW, SO  
SHE WAS  
ACTUALLY  
LISTENING TO  
WHAT WE  
WERE SAYING.

OK, BY THE WAY,  
FOR THE WOODS, ORDER  
THEM FROM THE STUDENT  
COUNCIL. GET THE PAINT FROM  
THE MURPHY ROOM. AND I'LL  
ASK FOR PERMISSION TO USE  
THE COSTUME ROOM FOR  
YOUR GUYS.

But I haven't  
heard of that  
yet.

THE HOST-  
CLUB THING  
SOUNDS  
BETTER SO WE  
WENT ALONG  
WITH THAT.

Because of  
this reason.

Rather than  
staying in the  
teachers' lounge  
after class.

He would continue  
toward in the  
Japanese Language  
or Resource  
Room, where no  
other signs of life  
could be found.

## Teacher and Student

I have always liked these kinds of prompts and I waited for a chance to draw one myself. So when the chance finally came, and on top of that all 3 parts of the story got published on the last pages of Little Delux, I was over the moon.

I must reflect on a lot of things and out of all those one thing that I regret the most is the fact that I didn't give enough recognition to Little Delux's character. So could I please be allowed to add some more of him in this little comic here? And so I keep saying all this without stop.

He was really popular, you know.

And as the class continues to grow, what was the relationship of the two

And you come looking for me

GUYS DO WORRY ABOUT THIS! I MEAN, ABOUT THESE KINDS OF THINGS.

Saku Matsuda

Saku-masashi attended an all-boys school during his middle and high school years. Since he completely understands how it feels to be disappointed with girls, he occupies the Love Guidance Room. With "I'm not letting my students go through the same experience!" in mind. So, maybe we can say that his own experience with love began in his college years.

This is his behavior during college years. Some like he was pretty popular with the members of the Kida he goes to school to.

# CRACK

This is the very last school event that involves outside lodging in one's student life!

That feeling, of that unaccomplished confession during a school trip?

That "perhaps it's gonna happen" love happenings, too. This could be the last chance for it to ever happen!!

Even if it's just a small contribution, shouldn't we help them, eh, Rinko-kun???

OK, OK, got it!!

THANKS,  
RIMMO-  
SAN.

EH?

AH, BUT OF  
COURSE, DON'T  
FORGET YOUR

# Touko Kirito

So, we might as well talk a bit about Kirito now too.

Initially the plan was to make her the daughter of a very poor family. Kirito the first son of the old king who had neither the time nor place to relax even at home, and escaped into the world due to some kind of accident. That was the plan.

So, anyway, things came up, and we abandoned this plan. But it was a very interesting idea. I hope I can use this idea in another story.

Kirito was fair. I wanted to make her look a bit more fashionable, but well, the people are her kindred...

THEN YOU SHOULD HAVE JUST TOLD ME THAT EARLIER.

JUST FORGET ABOUT THAT TEACHER.

DOKI

DO  
DO  
DO

Anything is  
fine

THERE  
IS...

will be my  
"partner"...

DO

... is this the end?

Where's all my  
feelings leading?

Maybe it |

will my heart, little  
by little, each and  
every night

then eventually

OK, let's see.

We're reading the part  
I'm trying to avoid.  
Before you guys start  
complaining, I better  
explain myself.

—about the character  
that comes after this  
"All Period" —

It is Tanaka Neko's  
entire waiting room  
(This apple)

In my town  
I mean, this is very  
very very sacred  
piece of work.  
AAAAAAAAA (I'm  
trying to convey my  
true feelings.)

I peered at the  
manuscript, very  
tactfully.

...and asking the  
dimensions, and  
the official.

**BOON**  
...It blew myself up  
over and over again.

the day will  
obey for it  
to be empty  
again?

As I woke up,  
I realized I  
was crying.

She took  
a hand on her  
face like a  
suffering.

...but

I KNOW!

WHAT ARE YOU  
DOING? NOT TO  
MENTION THAT  
I'M ACTUALLY  
ONE OF THE  
TEACHERS  
TOO...

WHAT I  
AM SAYING  
IS ALL  
JESSED  
UP, ISN'T  
IT?

BUT I  
DON'T WANT  
TO SEE HER  
CRY TOO!

SENSE!

**DO YOU GUYS  
NEED TONDOU  
TO DO ALL  
THOSE THINGS  
FOR YOU!!**

I'LL GO  
LOOK FOR  
HER

AND  
GETHER  
THAT  
MAGICAL  
RING

LET'S NOT FOR  
GOTTEN TO  
GET IT BACK

But what are  
you asking us  
to do for us?

SOME COR-  
RECTIONS ON  
WHAT I SAID  
LAST NIGHT

ABOUT WHAT  
YOU CALL  
"SOUL-SOME  
FEELING"

HAVE YOU  
SEEN  
RING-SUN?

DID YOU  
ASK HER TO  
DO SOME-  
THING FOR  
YOU?

WE WENT  
TO LOOK  
FOR TUN-  
FEE-  
CRACKED  
FOR US.

WE WAS  
GETTING SOME  
MAGICAL  
CARDS FOR  
US.

I JUST  
WANT  
TO

WE HAVE  
GOTTEN  
MORE THE  
MAGICAL  
RING FOR  
US.

THE GARDEN AND THE  
MAGICAL  
SUNSET CARDS

WOTW

EVEN IF I HAVE  
FEELINGS, IT'S

Why is it, at a  
time like this...

THE FIREFLIES,  
THERE'S GOTTA  
BE A BIT OF THEM,  
RIGHT?

DO YOU KNOW  
WHAT IT IS THAT  
THEY CALL "THE

IN THE ANCIENT

# "RABBIT"

"Rabbit" is the first short story accompanying *20th* in this notebook.

I produced this story which happens to be a beginner's Award book when I was starting out in this career. At one would expect, my drawing was really much to talk about.

One can tell that I opened some book rules of drawing here and there.

Sometimes I wrote with a pen on the screen itself!

I should have not had a larger pencil.

So, the draft turned out a little, too much. It was deemed "Beyond paper". Anyway, we decided to just print the draft as it was.

To those of you out there who aspire to become a mangaka.

If you don't give up, and continue drawing for some 8 years, I'm sure you will improve!

So, bear in mind that there are things for you to look forward to. Enjoy.

OF COURSE THERE WILL BE THE REAL OFFICIAL CLASS ALBUM.

JUST THAT I'M SURE AND ALL.

YOU ARE THE ONLY STUDENT I CAN RELY ON TO DO THIS SORT OF THING.

Cultural festival during my Second Year. That was when I realized my true feelings.

YOU KNOW I'M NOT GOOD AT SAYING "NO".

When the time comes...

What will happen to us?

Well, tomorrow, obviously...

What you just said is true.

Really?  
But...

Don't forget  
the entrance!

Here he is!

FIRST OF  
ALL, YOU  
WON'T BE  
ABLE TO SEE  
HIM EVERY

• Come to think of it...

Back then, after winning the award, I was still employed at my old office for another year, until I finally debuted.

With... economies.

Luckily for me, there was no overtime (so no weekdays). I did lots and pieces of the manga, and some sketches. If you full-throttle about

Come to think of it, back then... it probably wasn't good thing for me that I had so many friends nearby. I had no time to be compared to, and no getting to worry about. Especially if they just me and myself spending my own time.

So, that is actually just me trying to cheer myself up by saying that I spent my time painting my dolls.

Talking about my drawing skills... if I could say something to this one, 5-year-old, then I could still

-THANKS-

To those of you who read all three chapters from the Lolo before magazine and also to those who read a later chapter and decided to look for the earlier episodes. Okay though!

It is nice to be able to publish in complete form of the stories when it has finished in the magazine. I do hope there are many people who think back before buying an incomplete novel.

She cried  
silently

It was so silent, I  
didn't even dare  
to say a single  
word to her

A woman  
who never  
lets half-truth  
and lies  
show

Such a  
familiar face.

Even so,  
she's loved by  
the children,  
holding such  
a respectable  
job.

I please
